Valves**

**Corrosion  
Resistant  
Piping  
Systems  
and Accessories**

**Sanitary  
Products**

**Durco:** ANSI, Mag-Drive, Self Priming, Non-Metallic  
**Ingersoll Rand/IDP:** Multistage, Sump, Vertical Turbines  
**Worthington:** API, Gear Pumps, High Pressure, Split Case  
**Additional:** Mechanical Seals, Seir Bath, Byron Jackson

**ANSIMAG:** Lined & Non-Metallic Mag-Drive Pumps

**Graco:** Air Operated Diaphragm & High Pressure Piston

**GPM:** Submersible Slurry & Solids Handling

**Vertiflo:** Centrifugal, Horizontal & Vertical Sump Pumps

**Galigher/Warman/Hazelton:** Heavy Duty, Rubber Lined Slurry

**Alfa Laval/Tri-Clover:** Sanitary & Industrial Centrifugal, Rotary Lobe & Heat Exchangers

**Worcester:** Alloy Ball Valves, Actuators & Positioners  
**Durco:** Alloy & Teflon Lined Plug & Butterfly Valves  
**Atomac:** Teflon Lined Ball & Check Valves, Sight Glass & Strainers  
**Microfinish:** Alloy Ball Valves  
**Automax:** Actuators, Positioners, Limit Switches, & Accessories

**Gemu:** Sanitary & Industrial Diaphragm Valves

**ABZ:** Butterfly Valves, Elastomer & Teflon Lined

**Westlock Controls:** Valve Monitoring & Control Products

**PureFlex:** Composite Ball and Check Valves, Composite Butterfly Valves Teflon & Elastomer Lined

**Alfa Laval / Tri-Clover:** Sanitary, High Purity Seat, Mix Proof, Shutter, Ball, Butterfly, Check Valves & Heat Exchangers

**Watson McDaniel:** Steam Traps, Regulators, Condensate Pumps, Liquid Drainers, & Instantaneous Water Heaters

**Smith-Fibercast:** Fiberglass Piping & Fittings

**Senior Flexonics:** Flexible Metal Hose & Expansion Joints

**Crane Resistoflex:** Teflon, Polypropylene & Kynar Lined Pipe, Fittings Valves & Complex, Custom Shapes

**Ramco:** Safety Shields

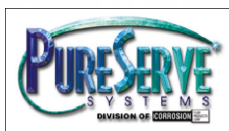

**Pureflex:** Teflon Lined & Silicone Hose, Taskline Gaskets, Line Blockers, Specialty Fittings

**Versagrate:** Fiberglass Grating & Structures

**\*\*Pump Repair of the above manufacturers as well as any pump manufacturer**

PureServe Systems is a division of Corrosion Fluid Products, which serves the food, beverage, pharmaceutical, biotech and chemical process industry. We offer a wide range of sanitary products including pipe, fittings, pumps, hoses, valves, tanks, custom fabrications, skid systems, cleaning products and in-house pump repair services.
